BE THE ONE TO IMPACT SUMMER 2017

The Staff of BIAC @ AZ are super excited to launch THE IMPACT 2017 PROGRAM & partner with local St Croix businesses with this new concept. We are encouraging the community to reward their employees for outstanding performance by making a contribution to STX BIAC @ AZ ACADEMY. This contribution will then be used to cover camp fees of a child that the rewarded recipient chooses to gift “an unforgettable summer to in 2017!!!” Contribution to STX BIAC @ AZ ACADEMY will cover the fees listed below.

RIPPLING MEANINGFUL IMPACT

This kind of philanthropic outreach is much more meaningful than a simple corporate contribution. Through this program, each business is able to connect its employees with a program that helps to sustain our vital Island community. By gifting a scholarship in honor of an employee, businesses will have an opportunity to be a part of a meaningful initiative, share in a collective community of giving, and be a part of a philanthropic initiative like no other.

HISTORY

The STX BIAC of AZ Academy is a 501 (C) 3 non-profit that has served the STX Community at this location for the past 5 years. It was formally St Mary's Big Island Adventure Camp serving the community from that location for 5 years. Camp 2016 will be our 11th year serving the families by offering them unforgettable summers! Through those years we have created a large camp family, comprised of a huge cross section of people from St. Croix, as well as extended STX family members, who come to visit during the summer months. Averaging 200 local campers per week, 60 to 80 local high school students through our CIT Leadership program (Counselors in Training) and a staff of 25 to 30, varying in ages 16 to 60 years old. Most of our younger staff members have worked their way up through our program; starting as campers then training/volunteering as a CIT (for sometimes up to 3 years), to finally, based on performance, earned the right to be part of our staff family!

CAMP PHILOSOPHY

Creating a culture promoting unconditional LOVE and ACCEPTANCE for ALL, campers, CIT's and the TEAM!

A culture where everyone feels welcomed and accepted!

Within our culture we make profound memories by engaging in various hands-on, energetic, experiential, and adventurous educational activities.

These experiences reveal to each:

- A glimpse of his/her greatness.
- Empowers him/her to make positive transformational choices.
- Catapults him/her into a consciousness of wonder, excitement, serving, loving others and most importantly, loving him/herself.

That is why we say:

"Let's Always Be about Living, Learning, Laughing, Loving and Playing" each and every day.
2017 Camp Theme – "SEEING LIFE THROUGH THE LENSES OF LOVE!"

We are delighted to partner with the STX business community in joining forces to IMPACT our community by celebrating and honoring your outstanding employees and giving those recipients the opportunity to gift to a child an UNFORGETTABLE SUMMER!!!

We will be reaching out to you in the very near future to discuss the IMPACT PROGRAM and how your company can be a part of honoring your most valued employees!! Please feel free to call or email me should you have any questions, comments and/or to set up a meeting to collaborate more on how this program can truly serve you and your employees while also serving our STX children!!!

Sincerely,
